## CLUB OF COVINGTON

### TYPES OF MEMBERSHIP:

**Individual** – this membership type is eligible for all benefits of the club including voting at elections, attendance at the luncheon meeting each Thursday, and serving in a leadership position within the club. It is assigned to a single individual and cannot be transferred to another person for use within the club. This membership does transfer with the individual should they want to transfer to another Kiwanis club, assuming the membership is in good standing.

**Corporate** - this membership type is eligible for all club benefits as outlined in the Individual Membership category, however the membership is held by a corporation, business or organization. A primary member is assigned the voting privileges, however, another individual from within the organization may attend the weekly meetings in place of the primary member. The corporate membership stays within the Kiwanis Club of Covington and may not be transferred to another club.

**Affiliate** – this membership category has limited club benefits in that the individual may vote and serve on committees, however, may not hold leadership positions within the club. Also, the associate member will pay the visitor luncheon fee for each Thursday meeting he or she attends.
